

## Dinks Song

### 2nd verse

Late last night was drizzlin'  
rain

All round my heart was achin'  
pain

Fare thee well, oh honey, fare  
thee well

### 3rd verse

I got a man, long and tall

Moves his body like a cannonball

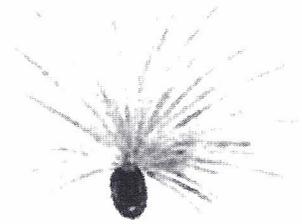

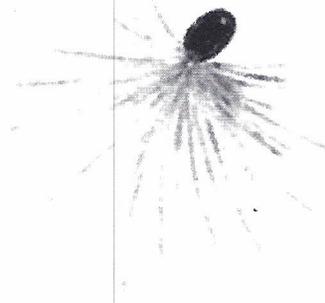

Fare thee well, oh honey, fare thee well

### 4th verse

One of these days and it won't be long

You'll call my name and I'll be gone

Fare thee well, oh honey, fare thee well
